QUALITY EDUCATION
CLOSE TO HOME

7 HOURS. ONE DAY. RIGHT HERE.

NMBA has provided building industry education in Northern Minnesota since 1997. Our in-person program makes it easier for area contractors to earn continuing education credits without traveling out of the region.

THE BENEFIT OF ATTENDING

- **Code-related seminars**
  Relevant topics for residential contractors
- **Local access**
  A full day of education close to home
- **Industry connections**
  Time with peers and vendor representatives

NORTHERN MINNESOTA BUILDERS ASSOCIATION
Promoting and supporting the building industry.

WHAT TO EXPECT
More than just a day in the classroom

INCLUDED WITH REGISTRATION

- 7 hours of contractor continuing education
- Energy and business management credits
- Code-related and industry seminars
- Rolls, coffee, lunch and snacks
- Access to the tabletop vendor expo
- Hospitality social and prize drawings

HOSPITALITY SPONSOR

TBG

TABLETOP VENDOR EXPO

Meet local suppliers and industry businesses, see product displays, and make connections outside the classroom. Expo time is separate from continuing education credit hours.

MINNESOTA CONTRACTOR CE REQUIREMENTS

RESIDENTIAL BUILDERS / REMODELERS / ROOFERS

14 HOURS REQUIRED
