**NORTHERN MINNESOTA
BUILDERS ASSOCIATION**

Contractor's Corner Advertising

The NMBA would like to thank our members for their support of the Contractor's Corner as an advertiser. We are proud to publish a monthly E-newsletter, which keeps several (contractors, lumberyards, community leaders, city & county officials, and other building industry businesspersons) up to date on NMBA activities/events, local, state & national building, and legislative issues.

Our Email format allows advertisers to have full color ads, links to their websites, and greater control over their marketing message.

ALL newsletter ads come with FREE NMBA website advertising included in the contract.

We hope that you take this opportunity to Consider your advertisement in the Contractor's Corner.

Please refer to the table below to reserve your spot in the Contractor's Corner and website.

**Ads can be adjusted for fit in the newsletter*

NAHB Webinars

Webinars

NAHB is offering the following free series this month through which industry experts will share the latest on our diverse residential strategies to achieve business opportunities and boost long-term profitability.

Each monthly, one-hour webinar will be available on either mobile (such as managing cashflow, preparing for financing, financing under and from), Additionally, an on-site related to each video will be available for 48HR from the time the webinar is hosted. Contact us at 800-541-6800 to learn more or to engage with the featured speakers through Q&A sessions.

The first topic of the series will be "A Study in Cash Flow for Builders," which will be hosted by Greg Papp. The second topic will be "A Study in Cash Flow for Builders," which will be hosted by Greg Papp. The third topic will be "A Study in Cash Flow for Builders," which will be hosted by Greg Papp.
